

Soft Foam Deep Cleanse

Deep Cleanses and Controls Oil Production

Capryloyl Glycine | Cinnamon Extract | Propolis Extract | Oat Amino Acids

DESCRIPTION:

Soft Foam Deep Cleanse is ideal for oily and blemished skin - it gets down deep into the pores to help eliminate oil and bacteria and reduce irritation. It purifies and clarifies, leaving skin soft and pH balanced with a fresh, clean feeling.

FEATURES AND BENEFITS:

Control Oil Production | Copper Glucamate and Sarcosine help to cleanse the skin and control oil production. Capryloyl Glycine and Cinnamon Bark Extract control oil production and are also antibacterial.

Deep Pore Cleansing | Propolis Extract's biological activity enhances the deep pore cleansing action while Allantoin helps to keep skin looking healthy and clean.

Restore Skin's pH | Oat Amino Acids restore skin to the proper pH.

USAGE:

Add several pumps to the palm of your hand, add a few drops of water, lather, massage onto face, and rinse. Follow with Herbal Toner. Follow with AControlling Cream or AControlling Balm for oily and blemished skin conditions.
