

# AM/PM Moisturizer

Richly Moisturizing for Every Day

Grape Stem Cells | Sweet Almond Oil | Sodium Hyaluronate | Bisabolol

## **DESCRIPTION:**

A creamy, gentle moisturizer with natural emulsified oils rich in active ingredients to soothe and hydrate skin. Fights off environmental damage with Grape Stem Cells incorporated in our advanced Alphasomes® skin care delivery system. A blend of Vitamins and Herbs synergistically revitalize the skin. Great for sensitive skin, it calms and soothes.

## **FEATURES AND BENEFITS:**

**Protect Against and Reverse Aging with Grape Stem Cells** | Vitis Vinifera (Grape) Fruit Cell Extract protects skin against the harmful effects of skin

stress caused by UV radiation, responsible for 80% of skin aging, with epigenetic factors and metabolites. It delays the senescence, or the biological aging of essential cells, as well as fights photo aging. The cell extract has an extremely high anthocyanin content which is high in powerful antioxidants and has free radical scavenging capabilities.

**Protect Against Free Radicals** | Sweet Almond Oil, Ethylhexyl Methoxycinnamate and Soy Lecithin Phospholipids act as free radical exchangers and skin protectors. Cucumber Extract, Linoleic Acid, Sage Leaf Extract and Potassium Sorbate with Bisabolol combat potential free radical invaders.

**Restore Elasticity & Firmness** | Macadamia Nut Oil, Eyebright Extract, Sodium Hyaluronate, Niacin, Olive Fruit Extract and Ginseng effectively boost the skin and help restore elasticity and firmness.

**Protection from Irritation** | Seaweed Extract, Asparagus Root Extract, Wasabi Extract, St. John's Wort Extract and Evening Primrose Oil protect the skin against irritation.

**USAGE:** Use in the morning and evening after cleansing, toning, and applying serum. Smooth onto face, neck and décolleté until absorbed.
