

Pumpkin Enzyme Mask

Professional Enzymatic Micro-Exfoliator

Pumpkin Enzyme | Cinnamon Leaf Oil | Amino Acids

DESCRIPTION:

A proteolytic enzyme exfoliator with pure, natural Pumpkin Puree and Green Tea Extract, it re-texturizes skin while also hydrating. Corrects hyperpigmentation for a more even looking skin tone.

Active ingredients are encapsulated into our advanced Liposomal skin care delivery system to carry the ingredients to the target area, providing fast acting results.

FEATURES AND BENEFITS:

Enzymatic Action | Pumpkin Puree, Pumpkin Seed Extract, and Pumpkin Enzyme Ferment provide enzymatic action, increasing cell turnover and for more radiant, even looking skin. Cinnamomum Cassia Leaf Oil and Clove Leaf Oil provide a micro-peeling effect as well as a soothing scent.

Anti-Oxidant | A special blend of Amino Acids, Glycine Soja and Panthenol act as a special Amino Acid cocktail. The enzymes are superoxide dismutase enzymes which act as free radical scavengers and powerful antioxidants. Phospholipids and Green Tea Extract are antioxidant.

Moisturizing | Natural Vitamin A Palmitate and Vitamin E Acetate are moisture balancing.

USAGE: After cleansing, apply a generous amount of Pumpkin Enzyme Mask with a mask brush to the face, neck and décolleté. Can also apply to the back for back facials. Leave on for 5-10 minutes; remove with tepid water. The ideal companion to Aloe Vera or Papaya Enzyme Peel as a secondary exfoliator. Great for aging, dry, and oily skin types; don't use on clients with capillaries. Can be used on a weekly basis.
