# Sensitive Cleanser

Gentle, Soothing, Creamy Milk Cleanser

Chamomile | Hibiscus | Aloe | Safflower Seed Oil

## **DESCRIPTION:**

Scientific Research has shown that our skin is more sensitive and easily irritated from life style changes as well as sun exposure and hormonal fluctuations. Doctor D. Schwab's Sensitive Cleanser is created with a bio-active network of powerful natural ingredients to gently cleanse the skin and normalize hypersensitivity.

This creamy milk cleanser gently but effectively provides deep cleansing action to remove dirt and debris while also soothing irritated skin. Well-balanced, it can be used wherever there is skin sensitivity. The unique combination of extracts will also help to normalize skin.

## **FEATURES AND BENEFITS:**

**Calming** | Aloe Gel and Safflower Seed Oil calm and gently soften the skin. Oak Root Extract and Eucalyptus Extract help to reduce inflammation and sensitivity. Hibiscus Extract, Chamomile Extract and Vitamin C help to create a concentrated calming anti-oxidant.

**Fresh Natural Scent** | Orange Flower Oil and Grapefruit Oil provide a naturally fresh orange and citrus smell.

**USAGE:** Apply several pumps of Sensitive Cleanser to the palm of your hand, add a few drops of water, and gently wash face. Use morning and night. Rinse thoroughly with water, follow with Herbal Toner.
