

Azulene Eye Makeup Remover

Soothing Natural Makeup Remover

Chamomile | Bladderwrack | Fennel | Hamamelis

DESCRIPTION:

Soothing, botanical make up remover gently removes make up around the eyes as well as on the face. Comforts, soothes, refreshes, and calms the skin.

FEATURES AND BENEFITS:

Dissolve Makeup | Hamamelis Virginiana Extract, Aloe Barbadensis Leaf Extract calm skin and help to dissolve make up.

Refresh & Renew Skin | Fucus Vesiculosus L (Bladderwrack) Extract, Foeniculum Vulgare (Fennel) Extract and a special blend of Amino Acids incorporated into our Alphasomes C-8™ advanced skin care delivery system help to refresh, tighten and renew the skin.

Calming Scent | Citrus Aurantium Dulcis (Orange) Oil Natural and Anthemis Nobilis (Chamomile) Extract provide a calming scent.

USAGE:

Apply Make Up Remover to sanitized pads or cotton, let it rest on the lashes and remove the make up gently. Continue with your cleansing milk or foam cleanser.
